Faith and Film Series with Rev. Tim Kutzmark
“Slavery by Another Name”

Sunday, January 10 at 6:30 pm

Did Slavery really end with the Civil War? This documentary explores how in the years following the Emancipation Proclamation, systematic approaches were taken to re-enslave newly freed Blacks in the United States. This system included new brutal methods of forced labor in which men were arrested and forced to work without pay, bought and sold, and coerced to do the bidding of masters. Spanning the 60 years following the Civil War, this 90-minute documentary includes interviews with key Black history scholars like Khalil Muhammad, Mary Ellen Curtin, Risa Goluboff and Adam Green. <https://zoom.us/j/94666801101>

Sometimes we read a poem, and it has little meaning for us. Maybe it's too abstract or it just doesn't make sense to us. However, at other times, we read a poem that touches us deeply and speaks directly to us. It gives us a new vision. Join Robert Mitchell for a poetry sharing circle in which we will each share a specific poem and the way it speaks to us. <https://zoom.us/j/96407603862>

Chalice Circles (Twice Monthly Small Group Connection)

Join with 8-10 others for twice-monthly facilitated spiritual and personal exploration, connection and community. Unlike a drop-in group, you'll come to know a small group of people over time, and they will come to know you. Led by an experienced facilitator, this is perhaps the best way to develop meaningful relationships in our church community. Think of this as our version of bible study, except the scripture we explore is the sacredness and wisdom of our human lives.

Various times throughout the month.

Please contact Dani Livesey, Director of Lifelong Learning, for more information and to register for a group.
