Faith in Film: “For Grace” (A Film of Food, Family and Obsession)

Sunday, May 9th at 6:00 pm

This multi-award-winning documentary introduces us to Curtis Duffy, one of the country's most renowned chefs, as he builds his dream restaurant at the worst time of his personal life. Duffy has ambitions for his Chicago restaurant Grace to become the best in the country. But his laser focus at his cooking career cost Duffy his marriage and two young daughters. It's a story about food, family, balance and sacrifice. It shows how an unimaginable tragedy made Duffy seek refuge in the kitchen, and how cooking ultimately exacted a price.

Chalice Circles (Twice Monthly Small Group Connection)

Join with 8-10 others for twice-monthly facilitated spiritual and personal exploration, connection and community. Unlike a drop-in group, you'll come to know a small group of people over time, and they will come to know you. Led by an experienced facilitator, this is perhaps the best way to develop meaningful relationships in our church community. Think of this as our version of bible study, except the scripture we explore is the sacredness and wisdom of our human lives.

Various times throughout the month.

Please contact Patty Bennett, Coordinator of Congregational Life, if you are interested in joining a Circle, msc@uufresno.org
